...

Two ideas that prevailed in ancient Egypt came to exert great influence on the concept of death in other cultures. The first was the notion, epitomized in the Osirian myth, of a dying and rising saviour god who could confer on devotees the gift of immortality; this afterlife was first sought by the pharaohs and then by millions of ordinary people.

Death - Ancient Egypt | Britannica

The ancient Egyptians' attitude towards death was influenced by their belief in immortality. They regarded death as a temporary interruption, rather than the cessation of life. To ensure the continuity of life after death, people paid homage to the gods, both during and after their life on earth.
