Swedish word Lagom means just the right amount is best, not denying yourself or sacrificing what you love, while not taking from the planet more than you need. We all can do better when it comes to living LAGOM/sustainably (saving more, wasting less, growing your own food and living an active lifestyle).

LiveLAGOM is a 3 year long project and I got in on the second year. It means I was one of the lucky people to be helped to live a more sustainable life. Lagom is a word that has a slightly complex meaning. Lagom is a sense of balance, of living just right, of not being too hot or cold, not too bright or dark.

Live Lagom, according to Brones, is a challenge for you to think about slow living. She says, "a slow life is an intentional life, one that doesn't take too much or cause any harm, and one that focuses on the essential." Live Lagom is divided into four sections: work, home, health and environment. Brones explains how Lagom in
