religions, we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions.

**Illustrated World's Religions: A Guide to Our Wisdom ...**

The World's Religions can best be described by taking note of what it is not. Author Huston Smith states

# Online Library The Illustrated World Religions A Guide

emphatically that the book is not one of comparative religions. It is as objective a look as possible at the major religions of the world today for the purpose of enlightening people of different cultures and beliefs about each other.
